## 2021 Newsletter June

**GOOD NEWS:** After last year's lock down we are now going full throttle ahead with this year's **2021 Mini Moto GP** at Chris Amon Circuit Manfeild on 18-19-20 October 2021.

Delayed Construction kits due to container shipping, we hear, are due to arrive in NZ within the next couple of weeks, so all those patient MB constructors will soon be able to install their own engines in the frames they have been busy building.

**Engineering Teachers** in schools around the country please let President Paul know how many competitors will be coming and taking part in the 2021MiniMoto GP. This request is so he and the planning team can start and fine tune the Race programme.

**Entries this year** will again be able to be entered and paid for on line from 20<sup>th</sup> September to 1<sup>st</sup> October on this website. [www.minimotonz.co.nz](http://www.minimotonz.co.nz)
